----- Cut here, fill and mail card above with your empties -----

Return your Empties and receive a free full size product with your next order!

We're committed to make the healthiest organic skin & body care products and pack them in responsible containers made with recycled or biodegradable materials. In an effort to reduce waste, we've created a simple and effective program designed to reward you for doing the right thing, return your empties!

Here is how it works:

- Collect at least 5 of our empty any size glass, plastic bottles or jars. Rinse or wash the jars and bottles to remove all residues from the product.
- **DON'T REMOVE THE LABELS!** We only accept our own containers. Containers without labels won't be accepted and won't count towards the reward.
- Print and fill the [Empties Return Card](#).
- Pack the empties with recyclable or reusable materials like paper, cardboard or biodegradable packing peanuts. Avoid using bubble wrap or styrofoam packing peanuts.
- Don't forget to include the [Empties Return Card](#) in the box with your empties.
- Mail everything via parcel or any other inexpensive rate to:
By Valenti Organics
PO Box 183325
Shelby Twp., MI 48318

What shouldn't be mailed and doesn't count towards the reward:

- Soap boxes or labels
- Bottle boxes or labels

Once we receive your empties we will take care of the recycling part and email you a special code for a free product with your next order.

One coupon per empties box, per household, per month; multiple boxes sent in one month won't guarantee extra coupons for free products. Minimum 5 empties per box, per month; sending more than 5 containers in one shipment won't guarantee extra coupons for free products. No coupon will be sent if [Empties Return Card](#) is not included in the box with your empty containers. Shipping costs to send the empty containers to us are not refundable and shall be paid in full before shipment; please don't send empties via COD, any empties mailed without postage paid won't be accepted and will be sent back at your own expense.
